GRADUATE CERTIFICATE

PROFESSIONAL ACCOUNTING

CRICOS code
051616A

Course code
GC-PRFACC

Course entry requirements
You can apply for this course if you have a bachelor degree from a recognised institution in a discipline other than accounting, a recognised four-year diploma, a recognised professional qualification, or three to five years of substantial professional accounting experience. In addition you must meet Curtin’s English competency standards.

Credit for recognised learning
Credit for recognised learning is not available for this course.

Duration
This course comprises four units and can be completed in six months full-time or equivalent part-time study.

Study mode
On-campus. Selected units may be available online.

Intakes
February and July.

Location
Bentley, Western Australia.

Course information
This course is suitable if you have graduated from an area other than accounting, or if you are a professional who wishes to develop a career in an accounting field. The course will equip you with an introductory understanding of accounting.

Main learning areas include:
- corporations law
- financial accounting
- management accounting.

On successful completion of this course, you may choose to progress to the Graduate Diploma in Professional Accounting.

Curtin Business School is an accredited member of AACSB International - the Association to Advance Collegiate Schools of Business.
INTERNATIONAL STUDENTS
International students studying in Australia on a student visa can only study full-time and there are also specific entry requirements that must be met. Please refer to international.curtin.edu.au or phone +61 8 9266 7331 for further information, as some information contained in this publication may not be applicable to international students.
