

City of Wanneroo Fully Funded Scholarships Ignition 2017

Background and Eligibility

The City of Wanneroo recognises the vital role local businesses play in our community – providing local employment opportunities, servicing our growing residential population, building our economy and creating strong and vibrant centres.

Providing opportunities for existing and new start-up business owners to develop their skills, networks and ideas while learning from business experts is critical for the ongoing growth and success of our region.

The City of Wanneroo supports Curtin Ignition through funding for two scholarship places for City of Wanneroo residents, who own an existing local business or are a new start-up with an innovative business idea. The scholarships are aiming to foster ongoing innovative, entrepreneurial activity within the Northern corridor.

Ignition is an intensive 5½-day education program for aspiring entrepreneurs, academics and corporate innovators to trial and prepare their business ideas for the commercial environment.
